

ACCESSORIES (cont'd)

Test Pins

1. For checking plug wear on Power and Auxiliary female contacts
Order: TPM
2. For checking receptacle power pin and auxiliary pin wear
Order: TPF

Scuff Covers

Protects cables from direct contact with ground and eases sliding.

Supplied in 30 feet max increments; Order SC-xx

SC-xx(c) (id)
c = color
id = inside diameter
xx = length

Crimp Tool Recommendations

VERSA-CRIMP® HYDRAULIC COMPRESSION TOOL HAND OPERATED TYPE VC7-SP

Die Less

- The original notched-top VERSA-CRIMP compression tool allows direct access of the tool to the connector for compressing multi-strand/rope lay copper cable in mining, marine and industrial applications. Copper color label denotes use with copper connectors, only with 360° head rotation.

Includes:

- High impact plastic carrying and shipping case with Service Manual and 2-Year warranty.

- Notes:
- 1) Due to high pressure developed by this tool, it is not to be used on aluminum connector or cable.
 - 2) add suffix "D" to catalog number for neoprene covered head.
 - 3) Type VCHTG, Direct Reading Pressure Gauge, is used for checking operating pressure.

Anderson Cable and Connector Test Kit

The MKIT

The tool kit is designed to provide everything needed to test, inspect and maintain your cables in one convenient kit. All components come packaged in a convenient heavy duty lockable case. The kit contains the tools needed to check the wear on sockets and receptacles.

All items are also available separately.

The MKIT includes:

TPF - Test Pin Female is a Go/No-Go gauge designed to check the wear on the aircraft receptacle pins. If the gauge slides over the appropriate pin a worn or loose

pin is indicated and the connector must be replaced to prevent possible damage.

TPM - Test Pin Male is precision machine tool to test the cable plugs to ensure positive safe connections to SAE specifications.

TG - Test Gauge to check the tension on cable plug. The scale reads the pull out forces on the cable pins.

CKIT - Cleaning kit includes cleaning brushes, swabs, contact lube and brush holder.

ORDER INFORMATION:
